I had nowhere to go and party
all the clubs round here are farty,
and so I travelled to your house
oh yes I was as scared as a mouse
for your house on the hill had never been
but knew it was full to the brim of sin,
And so I parked the night away
and all I wanted to do was stay,
But alas that night was over
and all I could do on my four leaf clover
was wish and wish the week away
until I travelled down again
And so you know what my life is like
Please don't tell me to take a hike
You can't close Sterns its just not right
What am I going to do on a Saturday night!!
Respect Jo Weston Super-Mare! 3 hours away from Sterns

Cheers Jo If you're travelling down to Sterns again give us a call to claim your free V.I.P TICKET!!

Dear IN TER-DANCE
I have been attending Sterns regularly, since February '92 I enjoy Sterns for its happy hassle free environment It is a place where people can meet make friends enjoy themselves and dance to music they like

Why is Sterns losing its licence?

Basically it is down to one thing! I believe and we know what that is! Councils up and down the country have their own policies on drugs and it seems that the drugs issue is all they are concerned about (apart from Health and Safety of course)

There are a lot of people out there that DON'T do drugs of any kind but they still want to go and listen to the music and have a wicked night Drugs are unfortunately here to stay Shutting down Sterns won't make the problem go away it would only reappear elsewhere! perhaps underground, which the Police and Council would like even less

So why doesn't the council work with IN TER DANCE/Sterns instead of trying to shut them down, which is not a solution IN TER DANCE has a problem the authorities. The authorities have a problem IN TER DANCE If there is no solution there will be thousands of disappointed people out there who won't be able to go to Sterns any more Wherever they decide to go is up to them if they decide to go to illegal parties then the council etc will be upset

So PLEASE sort it out find a solution!

Simon (Eastbourne)

Simon Unfortunately we have the old aged problem How do you communicate with dinosaurs? We have tried several angles of communicating with the authorities and have contacted any problems that they felt needed contacting but as you have said closing down Sterns will not cure this ongoing problem that is shared by the whole of the country!!

Dear in ter-dance
I've been coming to Sterns on a fairly regular basis for over a year now and one of the things I like best about it is the happy friendly atmosphere I've always felt comfortable and able to talk to anyone without having advantages made on me by obnoxious men who don't understand the word no! So you can imagine my disgust when I read the flyer for the 'Girls on Top' on Friday 21st May Did you really think when you decided to put Frize entry to all girls in hotpants on it? Did you stop to consider that there may be girls who are too self-conscious or unhappy with themselves to wear hotpants? I suspect not Was this organised by a man by any chance? Come on Sterns, you've always been good and you don't need this sort of cheap gimmick to get people in And we don't need this sort of sexism

Karen Wyatt

Karen [illegible] going
[illegible] We'd only like that he's may

IN TER DANCE would like to say a BIG THANX to the following people Simon & Lorraine (Eastbourne) James Whitehead (Cornwall), Heather (Crawley), Jonathon & Sharon (Streatham Posse) Jason Bradshaw (East Sussex) Julian Haynes (Eastbourne), Kenny & AG (Brighton), Noel (Dundee) Mr K A Khursheed (Brighton) Sarah (Brighton) Stephen Davies (Eastbourne) and especially Simon Hutchinson (Eastbourne), Alison & Jill (Redhill) for writing in your comments and letters as they are ALL appreciated!! (isn't that right Simon)

LETS TALK.....

DJ Profile

LTJ BUKEM

When and where did you start DJing?
I started DJing on a couple of citronics about 9 years ago in a mates bedroom!

How do you see the Dance Scene progressing?
Musically I hope!!

What other DJ's do you rate?
Groove Connection massive. The creative DJ's (a quick plug there I think)

What are your favourite tunes old and new?
House Conductor/Tonite I'm Gonna Luv Ya, Fallout/Morning After .....I've got too many favourites you wouldn't have enough paper!!!

What's been the most embarrassing moment for you as a DJ?
It was about a year a half ago and I twisted up my dates and turned up at the wrong venue the wrong week, to be greeted by a bunch of hippies having a knees up!! The worst thing was I thought I was late! (as usual)

Where else have you played (in general)?
I played at most places but there is still many more I'd like to play at.

How do you feel about what you've achieved in your career so far?
I think it is obvious to say I'm pleased, but the most satisfying thing about all this is the fact that I'm doing something I love doing - making and playing music! I also feel I have so much more to achieve, and look forward to the challenge.

What are your plans for the future?
Just to keep on rolling!!
